THE 1951 MARIONETTE

MARION COLLEGE

MARION, INDIANA

In the Shadow of the Marion Tower

In the shadow of Marion's tower
Oh, let me pause once again—
There where youth's red-budding hopes
come to flower
Far from earth's glamor and stain.

There in the shadow of Marion's tower
Friendship's rich wine warmed the blood,
Cleansed from the madness and cheap
lure of power
Quiet, enraptured we stood.

Deep in the shadow of Marion's tower
Christian and scholar have trod;
There I would flee from the glare
and the glower,
There touch the hand of God.

DEDICATION

THE MARIONETTE

Marion College

Marion, Indiana

Dear Dr. DeVol,

As we begin this letter to you, our minds wander back through the years to your birthplace in China of medical missionary parents. There you grew up, learning to speak the Chinese language as fluently as English. In 1922 you entered Marion College as a student. Then we would not forget your discovery of two Chinese ferns, one of which was named for you by the Chinese government.

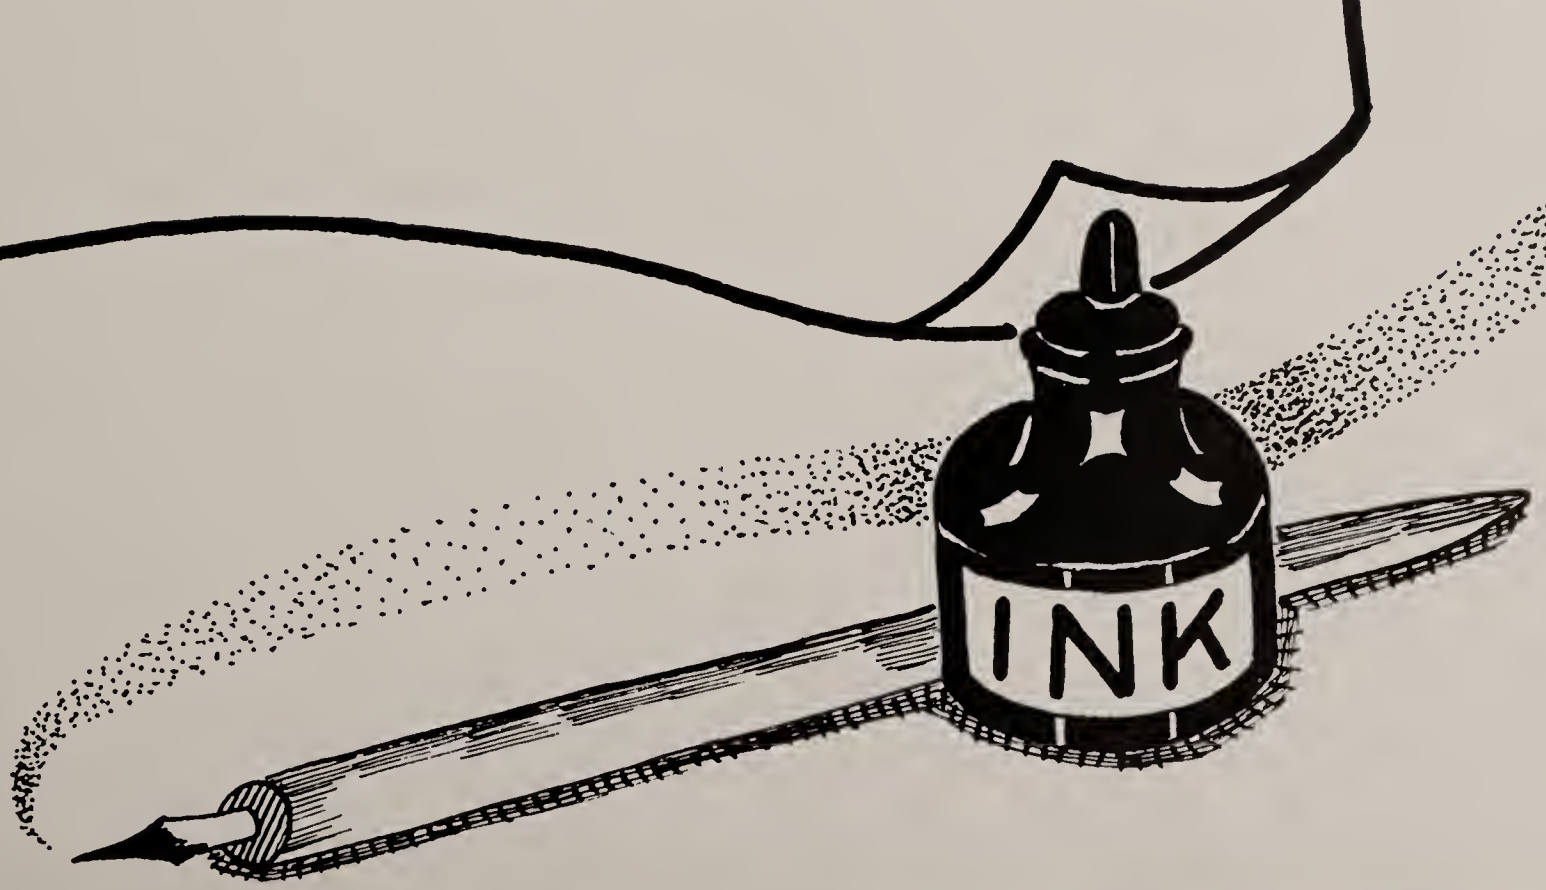
Your radiant Christian personality and friendly spirit have made lasting friendships on the mission field, in the internment camp, and in the home land.

In recognition of your outstanding service rendered to the church, to the field of science, and to the development of Marion College, the staff is happy to dedicate to you the 1951 Marionette.

Very truly yours,

Marionette Staff

1951 Marionette



President's Message . . .

Marion College is coming to the close of a very splendid year. Our problems have been many but there has been an overshadowing Divine Presence which has directed in our solutions. For many, the situation looks dark and foreboding. The defense program with its draft of young men is a reality. All out war is a possibility. Nevertheless, Marion College purposes to face the future with confidence in the One who said, "Lo, I am with you alway."

The campaign for Williams Hall is moving steadily forward. It is our purpose to get ready for the earliest possible moment when actual construction may be started. Marion College is a training center in the warfare against the forces of unrighteousness. We endeavor under God to be the most efficient center for Christian youth it is possible for us to become.

We stand in admiration of the efficient Christian administrative staff and faculty that have devoted their services to Marion College. Their friendly attitudes and wise counsel have won a warm place in our hearts. It is through their work that the institution has steadily advanced. As we realize this, our hearts warm in thankfulness to them.

In the shadow . . .

Dear Student,

Generations of Marion College students have passed *under the shadow of the* familiar *tower* until it seems to symbolize the academic influence of the institution. The tower is solid, dignified with age, practical, and yet beautiful as it stands, garlanded with ivy, through sunshine and storm.

Its solidity signifies the substantial body of facts which Marion College seeks to impart.

Its dignity represents the dominion of truth, the truth that makes men free and that flames into a passion in the heart of the true scholar.

Its practicality signifies the training which the college gives for the actual work of life's callings.

And always, its beauty stands for the appreciation of the best in literature and the arts which Marion College strives to foster in her students.

SENIORS

As the senior year comes for every class, it is not without its responsibilities. Many of the members are found leading the various organizations on the campus; and, to start off the year right, a group of Senior Advisors cheerfully guide the new students during the orientation program. Besides the responsibilities, senior life is made interesting by special traditions such as the "Senior Sneak", exemption from spring term exams, and the "Senior Class Day".

Those chosen for official positions were Dale Lappin, president; James Denny, vice president; Margaret Wood, secretary; Lema Hicks, treasurer; Voreta Simpson, Student Council Representative; Prof. Huffman, sponsor.

Vim, vitality, and vigor—these are the sophomores! Nothing seems to down their courage as they march on with spirited enthusiasm. They still gaze with longing eyes at the upperclassmen, and their efficiency in various responsibilities throughout the year proves their capability to fill in the elevated positions next year. Luck to them!

FRESHMEN

Knees of the innocent knocked when the Freshmen were initiated by the Sophomores before the dignified upper classmen. It wasn't long, however, before the "green" had worn off and the newcomers found their places in the rush of a busy school year. They certainly captured a laurel last fall when they challenged the seniors to a game of softball and succeeded in downing the dignitaries. May the next three years be even greater for you, Freshmen!

Officers of the class were David Cattell, president; Louise Sherman, vice president; Jean McCracken, secretary; Roland Conley, treasurer; Helen Lange, Student Council Representative; Miss Elder, sponsor.

"SEEK YE FIRST THE KINGDOM OF GOD..." MATT.6:33

In the shadow . . .

Dear Friend,

Influence is one thing we cannot prevent. Being alive, there radiates from each one of us a force arising from our character, and since our lives are to affect others, we owe to the world that our actions impel for good and not for evil.

How thankful we should be that here *under the shadow of the Marion tower,* the Word of God is made the Keystone of Truth.

Where training in morals as well as the intellect is emphasized, it is a privilege that our conduct be proper lest we reap sorrow for our failure and bring reproach upon the good name of our Alma Mater.

Royal S. Wordhead

HARVEST is Come

The Joint Missionary Project Committee is comprised of the presidents of the W. Y. P. S., F. M. F., Student Conference, and faculty sponsor.

It sponsors the annual Missionary Convention and arranges for the support of missionaries who are sent out from Marion College.

The goal this year has been $4,000.00, since the $5,172.27 raised last year passed the $3,000.00 goal.

Rev. and Mrs. R. S. Nicholson, Jr., missionaries to Japan, are supported by Marion College.

Convention speakers were Dr. George Warner, General Secretary of National Holiness Missionary Society, and Rev. and Mrs. Arthur Calhoun, Missionaries to Haiti.

In the shadow . . .

Dear Reader,

And the Marion Tower rising like an everwatchful sentinel, suggestive of dignity and endurance, security and strength, casts its long shadow across the campus of this our beloved Alma Mater.

It is here that we have formed friendships of inestimable worth. It is here that our horizons embracing the possibilities of Christian service have been enlarged. It is here that participation in the various extra-curricular activities as well as classroom instruction and times of worship have trained us to meet the problems of life in a more effective and efficient manner.

Through such our lives have grown richer, more enjoyable, more meaningful. And may it be that as we depart from the *shadow of the Marion Tower* that these things will have better prepared us to give light of intellect, of soul, and of spirit to those whom we serve.

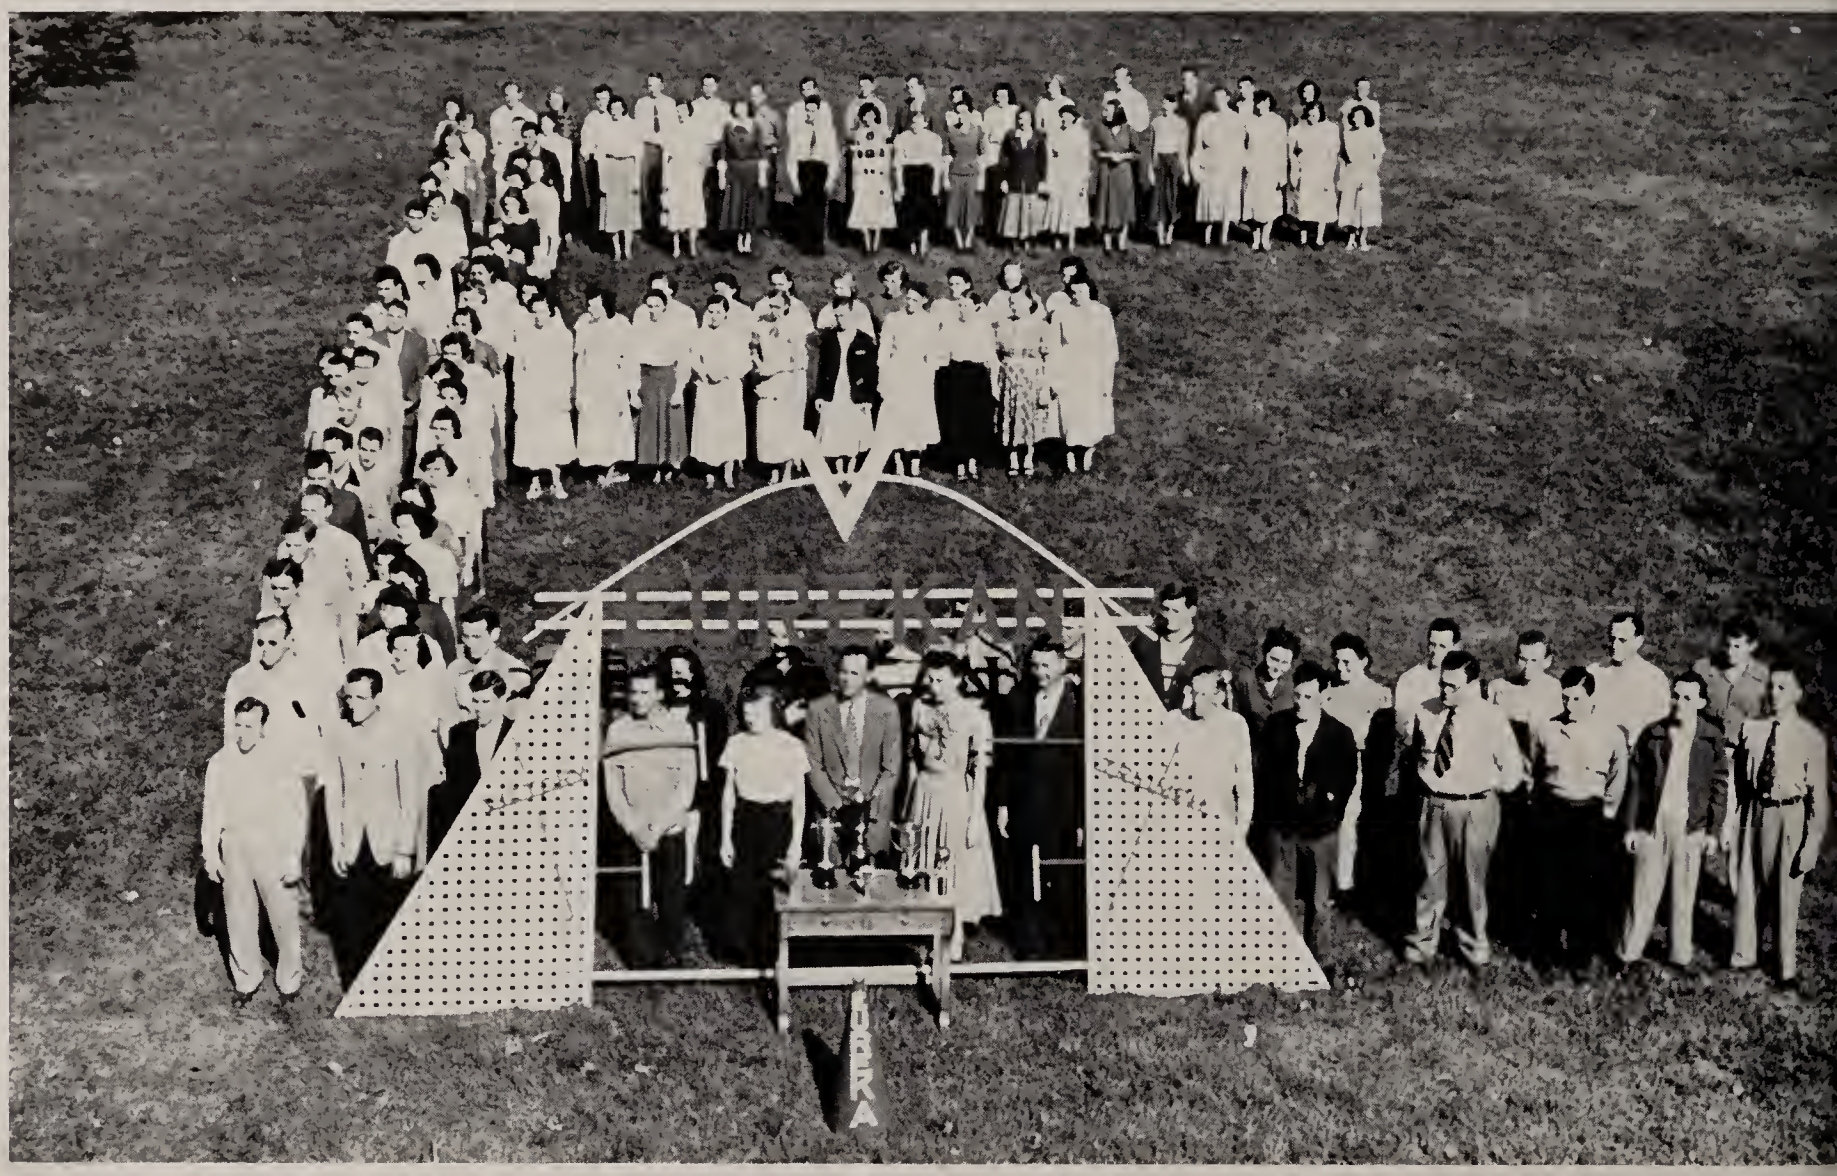
ATHLETIC SOCIETY



Eurekans

Eureka! Yes "we have found it"—an athletic society of outstanding success. On Rush Day it was evidenced that the "Green and White" was the choice of many students.

Opposite is Bruce Terwilliger's "Little Elegy" which has won national recognition. Our congratulations to a college campus friend.

LITTLE ELEGY

Being born of earth and never knowing
Breath of winds of heaven against my face,
I can feel no absence with your going
Only little things have lost their grace.

I can see no wond'rous chasms yawning
In the muted gray and silver hills,
But how shrilly sing the birds at dawning
And how faded are the daffodils.

Pure and white eternal lilies growing,
Grow more grandly now that you are there
And it may be, I cannot be knowing,
Paradise, itself, becomes more fair.

In the shadow . . .

Dear Reader,

Athletics have contributed their share among the important influences here in the *shadow of the Marion Tower*. They have created a friendly competition between the two societies and have promoted cooperation and sportsmanship among the students.

The sports have consisted of softball, basketball, soccer, foot races, tennis, badminton, relaying, and touch football. Owing to present world conditions a form of military training was introduced for the first time.

This year we have endeavored to build a better physical education department in hopes that we will have made things easier for those who follow. Our body is the dwelling place of the most High. May we do our part to keep it physically fit.

Men's Softball

This year we have had a highly contested series of games between the Amphictyon and Eureka Athletic Societies. Thrilling suspense of the audience was evident as the closely matched teams met in tense combat. The Eurekans proved themselves the victors in softball for the season.

Women's Softball

In the past the spotlight of attention has never focused very much on women's sports, but each year finds them claiming a greater portion of recognition. Much excitement was portrayed from onlookers as the ballfield and basketball court became alive with swift moving players. Volleyball and tennis brought enjoyment also.

MY CHURCH

My church is where the Word of God is preached, the power of God is felt, the Spirit of God is manifested, the love of God is revealed and the unity of God is perceived.

It is the home of my soul, the altar of my devotions, the hearth of my faith, the center of my affections and the foretaste of heaven.

I have united with it in solemn covenant, pledging myself to attend its services, to pray for its members, to give to its support, and to obey its laws.

It claims the first place in my heart, the highest place in my mind, the principal place in my activities, and its unity, peace and progress concern my life in this world and in that which is to come.

I owe it my zeal, my benevolence and my prayers. When I neglect its services, I injure its good name, I lessen its power, I discourage its members, and I chill my own soul.

I have solemnly promised in the sight of God and men to advance its interests by faithful attendance, by reading the Holy Bible, by never neglecting its ordinances, by contributing to its support, by meeting with my fellow members, by watching over their welfare, and by joining with them in prayer, praise and service, and that promise I this day renew, before God my father, Christ my Redeemer, and the Holy Ghost my Sanctifier.—John Bunyan Smith.

In The Shadow of The Marion Tower

Through another year the influence of the stately Marion Tower has brought to press a book of representation. To those who have made this Yearbook possible be there thanks. Many have worked faithfully through each task, large or small, to bring to completion the photography, sketches, typing, writing, and correcting. The business staff has wearily but effectively trudged the streets with successful initiative to return to the office with advertisements. Discouragement always rears its ugly head, but the will to overcome is the more powerful!

As we all leave, some to return, others never, may we remain true to the school of Christian principles, our beloved Alma Mater.

Truly yours,
THE EDITOR
